Dear Prospective Community Sponsor:

The Department of Orientation and Commuter Student Involvement (OCSI) is a multipurpose office within the Division of Student Affairs at the University of Miami. In brevity, our mission is to support new students and families in their transition to the university's environment. OCSI facilitates programs and resources to successfully and holistically acclimate all new undergraduate students to the academic and social fabric of the institution. It is our goal to effectively engage all students, family, and community members towards student success.

This year the University of Miami is expecting over 3,500 new first-year and transfer students accompanied by over 3,000 parent and family members during our Fall and Spring ‘Cane Kickoff orientation programs. In addition, we will host an additional 3,500 student and family members in our annual Family Weekend program. With students and family members in mind, your organization has the opportunity for sponsorship and in return allow you to showcase your goods and services. As these high-profile events collectively encompass over 10,000 people on the University of Miami campus, our past sponsors have had a strong return on their investment.

To participate in this event, our department would like to identify our sponsors by Tuesday, June 1, 2021. For your convenience and consideration, we have attached our sponsorship packages via this letter for your organization that outlines the many ways in which your organization can engage with our ‘Canes community.

As always, we want to partner with you, so if you have any ideas for your activation or marketing efforts for us to explore, please feel to contact our office at orientaion@miami.edu or via phone at (305) 284 – 5646. We thank you in advance for your time and consideration. Your support is greatly valued by the University of Miami and the ‘Canes community.

Sincerely,

Orientation & Commuter Student Involvement Team
